Hungary, the perfect blend of Hungarian folk art styles and international designs makes all the art nouveau buildings strikingly stylish. If you can't wait to watch this destination with us, just stay tuned.

Ep 7 : Udaipur, India

In this episode of Bliss we visit a city known to many as the "Venice of the East". Udaipur entices visitors from India and the world, basking in azure, serene lakes and laced by the grassy hills of the Aravalli. Udaipur flaunts its fairy-tale temples, castles and gardens, knitted with fantasy, grace and a heroic past, which lake Pichhola reflects on its surface like a spotless mirror.

Ep 8 : Innsbruck, Austria

Innsbruck is also known as the capital of the Austrian Alps. This place is not just home to stunning Alpine scenery, but also a great place for Bobsleigh sport. Have a look at this beautiful flying ride on Bliss.

Ep 9: Prague, Czech Republic

Prague Castle, Wenceslas Square and the National Museum are some of the most spectacular structures in the Czech Republic. Prague is a charming city with rich history and interesting architecture.

Ep 10 : Kerala, India

A long trail of shoreline with beautiful beaches, lush hill stations with olive backwaters, and fascinating wildlife with heavy waterfalls- Kerala offers it all for visitors. Whether you are looking for some exotic monuments, savory cuisine, colorful festivals or just a relaxing Ayurvedic health holiday, "God's own country", as it is called, serves all these offerings on a banana leaf.

Ep. 11 : Cappadocia, Turkey

The Republic of Turkey is a perfect place for some adventure and old charm with rugged landscapes, carved castles and varied mezze. Hot air balloon is an attractive sport done by all visitors. Enjoy a visit to this beautiful destination only on Bliss.

Ep. 12: Maldives

Maldives is named after its capital and the most populous city, Male. Contrasting the calm image of the Maldives, the city is the commercial center and a business hub. No trip to the Maldives would be complete without its most famous sports – snorkeling.

Ep 13: Agra, India

In this episode of Bliss we take you to Agra. With its earliest reference in the Indian epic Mahabharata, Agra still tells its tales of glorious history through majestic forts, palaces and traditions. The Mughal love for architecture comes alive with beautiful monuments like Fatehpur Sikri, Agra Fort and of course the Taj Mahal, which is now a wonder of the world. The center of art, commerce and learning in the Mughal era still blooms as a cultural heritage in India, lying beside the river Yamuna.
