

Episode sequence and short description for schedules & guides

1. Honduras part 1 - In search of the largest fish on the planet, It's a whirlwind journey full of neoprene romance, an island frozen in time and fire walking...
2. Honduras part 2 - An unexpected discovery in a tiny cantina that goes deep into the jungles of Honduras in search of one of the most closely-guarded secrets in Garifuna culture.
3. Turks & Caicos Part 1 - Canadians, casinos and conch genitalia: in hurricane-ravaged Turks & Caicos, where the will of the people is stronger than the power of the storms.
4. Turks & Caicos Part 2 - Dangerous habits cause issues at sea while pushing further out to sea, into the unknown and, as it turns out, very familiar territory.
5. St. Croix - Rum distillery tour, great diving, beer-drinking pigs, jeep adventures and more in the do-it-yourself U.S. Virgin Island.
6. Costa Rica Part 1- Diving with one of Costa Rica's pioneers, it's a Rich Coast Central American adventure, from the top of the jungle to the depths of the ocean...with a tight-fitting harness and generous helping of volcanic mud.
7. Costa Rica Part 2- It's all here: full-body massages, the purest caffeine anywhere and maybe one too many shots of Guayobayabo... In search of Costa Rica's fountain of youth and the secret to Pura Vida.
8. Grand Cayman - Rum that's aged on the ocean floor, a few sea turtles, the subtle art of Caribbean dominoes, girls national rugby team on Grand Cayman.
9. California- One of the most diverse ecosystems anywhere on earth - the kelp forests of Southern California. Yoga, wine-tasting, Paso Finos and a sip of Catalina.
10. Guadalupe Mexico - 250 nautical miles off the coast of Mexico, Get up close and personal with one of the most feared, misunderstood and, as it turns out, highly social animals in the ocean...but of course, there's always time for an oil change & discussing maritime drinking laws.
11. Indonesia- Fruit bats, pythons, crocodile fish and rice liquor.... Go into sensory overload in one of the most visually stunning places in the world in Indonesia.
12. Fiji- The rich history of the Fijian people and their reverence for the ocean... Mouth numbing Guava, blue-water, multi-island journey through jungles, past waterfalls and to the bottom of the Great White Wall.
13. "Last Call" Into The Drink producers have collected some of their favorite scenes from season one and put them together as a half hour of Into The Drinks' best moments.

Episode sequence and short description for schedules & guides - Season two

St. Kitts/Saba (episode 0201)

Monkeying around on a beach in the Caribbean, helping curb an invasive species, how to make world-class spiced rum in the privacy of your own home.

Saba/St. Maarten (episode 0202)

Getting high on guavaberry rum and parasailing in St. Maarten; going down on a ghost wreck to free sharks off Saba.

Belize (episode 0203)

Getting in touch with Belize's Maya roots; a guy who's looking out for iguanas; tubing through the Underworld; making a wine that's just a little nutty.

Hawaii (episode 0204)

Witnessing islands being created an inch at a time; a manta mugs our cameraman; a wine that's made from some of the most volatile soil on earth.

Philippines (episode 0205)

Getting to know the real Philippines through its markets; checking out the sweet Chocolate Hills and a monkey that's not really a monkey; the seedy underbelly of the aquarium trade.

Philippines (episode 0206)

A cocktail that grows on trees; meeting a man who makes his living from the sea; getting around with some local motion and World War II technology.

Dominica (episode 0207)

Diving into the spot where the Caribbean meets the Atlantic; hiking to the world's hottest lake; we meet an artist who works hard and plays harder.

Dominica (episode 0208)

Up close and personal with Dominica's diving pioneer; getting schooled on Caribbean history; a local rum that literally packs a punch.

Riviera Maya (episode 0209)

Diving on a Cold War relic; saving the Yucatan's turtles; a night out on the town in Playa del Carmen.

Riviera Maya (episode 0210)

Diving into a hole in the ground to go deep into the Maya underworld; linking up with a shaman to sample a sacred beverage; floating through the Mexican Caribbean's largest protected area.

Maldives (episode 0211)

Traveling halfway around the globe to search for the world's largest fish; sometimes, you have to invent your own entertainment -- and cocktails -- when you're on a boat in the middle of the Indian Ocean.

Maldives (episode 0212)

Biting off more than one can chew; making wine in a forbidden land; dancing with the world's largest rays of Hanifaru Bay.

Last Call (episode 0213)

Into The Drink producers have collected some of their favorite scenes from season one and put them together as a half hour of Into The Drinks' best moments.
