## AE TV 2016 Show Descriptions

### Show 1 Sloppy Bass

Catching giant bass in the slop. It takes the right gear coupled with a no-holds-barred mentality to weed 'em out.

### Show 2 Bouncing Up Walleye

Fishing Shebandowan lake in northwest Ontario. The perfect place to bounce up and spin precious walleye gold.

### Show 3 Postspawn Smallies

Fishing for postspawn smallmouth bass. Subtle lures and swimming retrieves match the depth and mood of smallies on the move

### Show 4 Eagle Lake Musky

Tackling giant muskies on Eagle Lake in northwest Ontario. How to cover water and convert follows into fish on the line.

### Show 5 Artificial Crappie

Fishing the deep weededges for summer crappies. Jigs and micro crankbaits target different depth ranges.

### Show 6 Supernatural Bass

Tackling largemouth bass in gin-clear water. Refine your tackle and tactics to eliminate any negative cues.

Show 7      Searching for Smallies

Fishing Marmion Lake in northwest Ontario for smallmouth bass. Fast-moving lures cover water and trigger strikes.

Show 8      Trolling Up Musky

Fall trolling for muskies on Lake of the Woods in northwest Ontario. Maintain large lures in the fish zone.

Show 9      Vermilion Walleye

Walleye fishing on Lake Vermilion in northern Minnesota. Jigging Rapalas are classic ice fishing lures applied to open water.

Show 10     Shadow Rap Shad

Fishing Rapala's Shadow Rap Shad for largemouths, smallmouths and walleyes! Its dying baitfish action is irresistible.

Show 11     Deep-Water Largemouth

Fishing deep rock and rubble areas for largemouth bass. Jigs and crankbaits produce big bass without snagging.

Show 12 Put & Take Trout

Small, cool waters like strip pits are mini hot spots for stocked trout. Fishing is easy, fun and accessible to everyone.

Show 13 Structured Walleye

Power fishing tactics for catching mobile walleyes. Use aggressive tactics to locate and trigger active biters.

## LAE 2017 Episodes

Short descriptions for web, Direct TV, and TV Guide

Jim Edlund

295 words

### 1) Episode #1: Modern Bass Fishing

Al Lindner and St. Croix Rods' Dan Johnston utilize the latest in fishing technology to tap mid-summer Midwestern bass.

### 2) Episode #2: Rushing River Walleye

James and Troy Lindner chase plus-sized Canadian walleyes in Northwest Ontario's Rushing River Watershed, an annual fishing trip destination for many.

### Episode #3: The Mighty Mille Lacs

Al and Troy Lindner pursue Mille Lacs Lake smallies, capturing on camera what bass experts are calling the best big bronzeback bite in the nation!

### 4) Episode #4: Goin' Mental for Musky

Jeremy Smith and Luke Ronnestrand chase late-summer muskies with wildcard presentations on Minnesota's Lake Vermilion.

### 5) Episode #5: Doodle Sockin' Crappie

Jeremy Smith and Ty Sjodin search springtime shallows for magnum-sized crappies, hitting pay dirt with 10-foot rods and a technique called Doodle Sockin'.

### 6) Episode #6: Search Bait Bass

Al Lindner and bait designer Mark Fisher go on the prowl for post-turnover bass while putting a brand-new bait to the test.

### 7) Episode #7: Down-Deep 'Eyes

James Lindner and Mike Hehner demonstrate tactics for deep-water walleyes, including precise depth-control via lead core and a match-the-hatch crankbait program.

### 8) Episode #8: Jerkin' Smallies

Al Lindner and Jeremy Smith take to the Great Plains in search of giant smallmouth bass, demonstrating how a one-two punch of trolling and casting jerkbaits can yield big rewards.

9) Episode #9: Win-Win Canadian Fishin'

James Lindner and Jeremy Smith explore Ontario's Twin Lakes, an end-of-the-road destination with a non-stop walleye bite and big multi-species appeal.

10) Episode #10: Modern Catfishing

Jeremy Smith and Dave Csanda mix old school and new school catfishing techniques to put countless pounds of pot-bellied channel cats in the boat!

11) Episode #11: Toppin' 'Gills

Dan Lindner, Jeremy Smith, and panfish expert Casey Ehlert combine high-tech electronics and topwater presentations to find and catch trophy-class bluegills.

12) Episode #12: Ice-Out Lake Trout

Jeremy Smith and Mike Hehner spill the beans on Northwest Ontario's awesome ice-out lake trout opportunities, providing tips to start your season off with giant cold-water fish!

13) Episode #13: Spring Largemouth

Viewers get an up close and personal look at how Al Lindner dissects a new bass lake and his "must-have" tackle picks for transitional, pre-spawn largemouth bass.
